## INSTANT COFFE

Well, Harry and I were lucky enough to experience it, as we ventured through the wild coffee growing region of tropical Peru.

Thanks to Sumak Travel, and their partners Cocla Tours in Cuzco, where we stayed for a few days, we learnt everything there is to know about the organic coffee farming industry.

### STRATEGY

For a long time, we've had a brand with a strong identity. The goal of our brand strategy is to build a more cohesive and consistent identity across all touchpoints, creating a unified brand experience that resonates with our audience.

At the core of our brand is a commitment to quality and integrity. We are a brand that values transparency and honesty, and we are committed to providing our customers with the highest quality products. Our brand is a reflection of our values and our commitment to our customers.

vera

### LOGO DEVELOPMENT

There are many variations of the word 'vera' in various languages, but the most common is the Latin word for 'truth' or 'reality'. The logo development process focused on creating a mark that is simple, clean, and modern, reflecting the brand's commitment to quality and integrity.
